We are a 100% volunteer run organization; the adoption donation is used to partially recover the costs involved in rescuing the animal you are interested in. These costs include but are not limited to; spay/neuter, food, housing, deworming and any veterinary exams, or medical care that the animal may have required while in the shelter. We would not have been able to save the life of the animal that you have applied to adopt without the adoption donation from another that came before him or her.

I am willing to make a minimum adoption donation of \$30.00 (male) or \$50.00 (female):

I have read the above information carefully and have filled out this application honestly. I understand that omission of information and/or failure to answer all questions can result in the application being declined. Also, if an omission or untruth is discovered after an adoption takes place, I understand and accept that Dorothy's Pets in Need Society has the right to annul the adoption and reclaim the cat/kitten. This application becomes a part of our Adoption Contract.
